

**SCREENING SHEET FOR VISITORS**

The elderly population is fragile and needs to be protected howsoever. Residents of long-term care facilities are often older adults with multiple pathologies, disabilities and different kinds of health problems. These people are fragile and potentially subject to greater risk if infected by SARS-COV-2. Therefore, as part of Sars-Cov-2 prevention and control, we need to pay the utmost attention to the older adults.

For these reasons, visits from relatives and acquaintances have been limited to exceptional cases authorized by the facility management, which is required to take the necessary measures to prevent possible spread of infection.

**Therefore, we kindly ask you to answer the following questions:**

<p><b>Have you had direct contact with suspected or confirmed COVID19 case in the last 14 days?</b></p> <p><input type="radio"/> Yes</p> <p><input type="radio"/> No</p>
<p><b><u>Do you have one of the following symptoms?</u></b></p> <p><input type="radio"/> Fever</p> <p><input type="radio"/> Dry cough</p> <p><input type="radio"/> Shortness of breath</p> <p><input type="radio"/> Aches and pains</p> <p><input type="radio"/> Headache</p> <p><input type="radio"/> Nasal congestion/runny nose</p> <p><input type="radio"/> Sore throat</p> <p><input type="radio"/> Conjunctivitis</p> <p><input type="radio"/> Diarrhoea</p> <p><input type="radio"/> Vomiting</p>
<p><b><u>PERSONAL INFORMATION</u></b></p> <p>Last name _____ Firts name _____</p> <p>Date of birth _____ Place of birth _____</p> <p>City _____ Address _____</p> <p>Phone number _____</p>
<p><b>Date</b> _____ <b>Signature</b> _____</p>

**We strongly recommend to follow the rules reported below and take all necessary precautions to prevent spread of SARS-COV-2:**

- Keep a distance of at least 1m
- Avoid shaking hands, kissing and hugging
- Wash your hands with soap and water and dry them with disposable paper towels or use alcohol-based hand rub

- Cover your mouth with a tissue or with your elbow when coughing or sneezing and then wash our hands with soap and water or with an alcohol based hand rub; dispose of the used tissue immediately in a closed bin
- Avoid sharing with your relative and/or with other residents towels, tissues, sheets, plates, glasses, cutlery
- If you stay longer than expected, wash your hands with soap and water or with alcohol based hand rub
- If you need to touch your mouth, nose or eyes, be sure to wash your hands – before and after- with soap and water and dry them with disposable paper towels or use alcohol-based hand rub

**AUTHORIZATION TO ACCESS THE FACILITY**

Considering the exceptional situation and after providing instructions about rules and precautions to be taken in order to avoid spread of SARS-COV-2 infection

Mr/Mrs \_\_\_\_\_

- Is authorized to access the facility
- Is not authorized to access the facility

To see Mr/Mrs \_\_\_\_\_
